New York, NY

Charlotte Gould is a New York-based artist whose multimedia works across photography, sculpture, and works on paper use fracture and fragmentation as a formal language. In 2024, Gould began formal studies in photography under Janette Beckman and Silvio Wolf at the School of Visual Arts, and is currently mentored by documentary photographer Marissa Roth. In addition to her studio practice, Gould is a running coach and the founder of Mothers Across America, an award-winning nonprofit running organization dedicated to supporting women and girls through goal-based running programs.
